& Computer Science

Amsterdam University
of Applied Sciences

Fact sheet student exchange
Spring 2025 and Fall 2025

We train young professionals for a career in ICT.
Participate in real-life cases, study new developments,
interact with other young people.
Enjoy the challenging atmosphere of our university.
Our international programme is aimed at 2nd, 3rd, and 4th year undergraduate
students of our partner institutions.

Internship / project work

At our inhouse IT company [IRP/WOSI](#) students can do an internship in many IT disciplines

Grading system

info: [Dutch grading system](#)

Please note

1. Students must be there from the very beginning to the very end of the semester
2. The semester programme has to be taken as a whole as it is a coherent package

3. Students need to upload their CV and transcript in our enrollment system Students come and go in order for us to check if the student's background matches with the student's choice
4. AFTER acceptance, we will change the student's application from pending to enrolled in our system. If the student cannot be accepted, you will be informed as well
5. Students must be prepared to do team work during the whole semester
6. Students in the Mobile Development semester (Spring 2025) will do a project in a company for two days a week. Travel costs might be incurred and have to be paid by the students themselves
7. The following electives are offered to exchange students in Spring 2025:
 - Survival Dutch (2 ECTS)
 - Intercultural Skills (2 ECTS)
 - English: Communicating like a pro (2 ECTS)
